YOU can't help cutting loose joy's remarks every time you flush your smokespot with Prince Albert—it hits you so fair and square. It's a scuttle full of jimmy pipe and cigarette makin's sunshine and as satisfying as it is delightful every hour of the twenty-four!

It's never too late to hop into the Prince Albert pleasure-pasture! For, P. A. is trigger-ready to give you more tobacco fun than you ever had in your smokecareer. That's because it has the quality.

Quick as you know Prince Albert you'll write it down that P. A. did not bite your tongue or parch your throat. And, it never will! For, our exclusive patented process cuts out bite and parch. Try it for what ails your tongue!

Toppy red bags, tidy red tins, handsome pound and half pound tin humidors—and that clever, practical pound crystal glass humidor with sponge moisture top that keeps the tobacco in such perfect condition.

An Economical, Delightful, Light Place to Trade

The Shelves of the World Are Bare

THE SHELVES OF THE WORLD ARE BARE

They must be filled. Their emptiness has been caused by the decreased production of commodities not essential to winning the war. Now peace times finds the shelves empty, a great opportunity lies ahead of all who think.

Labor which is 85 per cent of the cost of production has increased from 25 per cent to 110 per cent within two years.

Owing to numerous difficulties encountered all mills, both woolen and silk, are months behind their schedule. The attendant loss of production is a factor in the increase in price.

People who are putting off buying with the idea of waiting for prices to fall have indeed a long wait, many inconveniences, with an inevitable disappointment.
